If left blank, we will final and process your data.		

MASTER COPY

- FILL IN YOUR FIRM NUMBER
- MAKE COPIES OF THIS FORM
- FILL OUT AND FAX THE COPIES

* Required Information.

Message: _____

After faxing, boldly write "FAXED" on all sheets you have faxed to Interbill. It is very important that the same document not be sent to Interbill twice or it will be keyed twice.

Documents with shaded areas must be photocopied and made lighter before you fax them. If you have written in pencil or a light colored ink, photocopy these documents to make them darker before faxing. Fax documents only on white paper.
